by FRANCISCA TESTA | OCTOBER 17, 2018

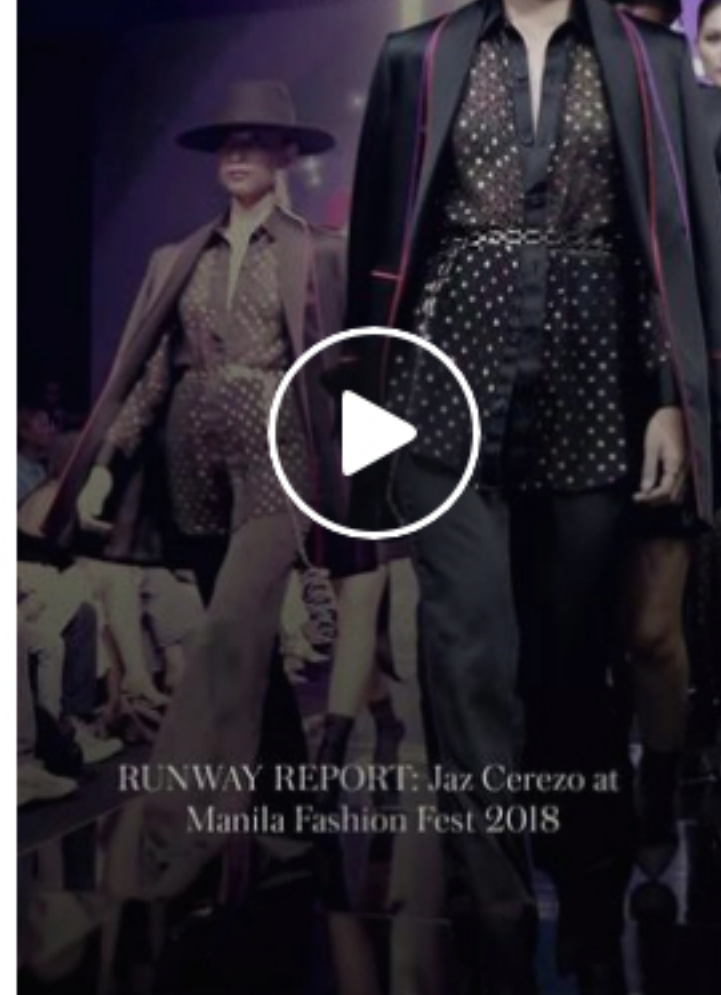

Day 1 of the Panasonic Manila Fashion Fest lived up to its name with the festive celebration of fashion and style. One of the designers presenting her collection was Jaz Cerezo. The designer is no stranger to sensual hints on her designs. This time, Jaz plays on classic trends that will never run out of style. From polka dots to floral patterns in light flowy dresses, Jaz gave us a collection of chic designs with her signature sultry silhouettes.
